Letter No C3 P 71/49-50 dated 30th January 50 from the Municipal Commissioner, Mysore city Municipality, forwarding certain proposals for the revision of the scales of pay of the Motor & Lorry Drivers of the Mysore City Municipality

Order No L 1988-9/C M G-49-38 dated Bangalore the 20-5-50
W R

The present strength of the above establishment in the Mysore city Municipality is as follows -

a) Two Senior Drivers in grade Rs 50-2-60
b) Seven Junior Drivers in grade Rs 30-2-50
c) One driver borne on work charged establishment grade Rs 40 P M (fixe
d) Five do do Rs 30 p m fixed
e) One additional driver employed in the Health Section pending sanction Rs 30-2-50

They are distributed as follows at present for purposes of work

1)	Engineering Section	8
2)	Health Section	6
3)	Municipal Farm Lorry Driver	1
4)	Driver of the President's car	1

The question of re-organising the said establishment and also regularising the appointment borne on thework charged establishment by their absorption in the regular time scale was engaging the attention of the Municipal Council for some time past Further the lorry drivers also represented that their scales of pay were very low as compared with those obtaining in the several Departments of Government and the city Improvement Trust Board, Mysore The Managing Committee considered the subject at its meeting held on 16th December 49 and recommended the revision of the pay of these posts uniformly to Rs 45-2-65 and the absorption of all the sixteen drivers referred to above in the revised grades This recommendation of the Managing Committee as accepted by the Municipal Council in its resolution dated 23rd December 49

The Municipal Commissioner, Mysore City, has forwarded for sanction the above resolution of the Municipal Council, together with a proposition statement The proposals involve an extra expenditure of Rs 3293 1/3 per annum

Since in the Bangalore city Municipality and in the other Departments of Government the scales of pay fixed generally for the motor and lorry drivers is Rs 45-3-65 and as also different scales of pay exist in respect of this class of employees in the Mysore city Municipality, it is considered necessary to revise the pay of the drivers employed in the latter Municipality as recommended by the Municipal Council, with a view to maintaining uniformity and mitigating the hardship The proposal of the Mysore city Municipal Council to revise the scales of pay of the Drivers as per proposition statement appended is accordingly sanctioned

The extra expenditure involved in this revision viz , Rs 3293 1/3 per annum will be met out of the Municipal funds The Municipal Commissioner is requested to arrange for necessary provision being made on this account in the future budgets of the Municipality
